

REMARKS/ARGUMENTS

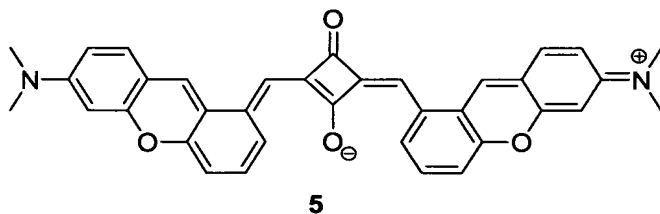

The Applicant thanks the Examiner for the Office Action dated June 8, 2005.

Specification

The Applicant has added a new paragraph to page 1 of the specification entitled "Cross-Reference to Related Application". The Applicant submits that this amendment introduces no new matter.

The amendment to the co-pending application paragraphs on pages 1-3 is merely to update our docket numbers with application numbers or remove our docket numbers where application numbers had already been entered. The Applicant also submits that this amendment introduces no new matter.

In response to the Election/Restriction requirement, the Applicant elects compound 5 on page 88 of the description as a single specific compound. This compound is reproduced below:

As a provisional election of a distinct species of compound, the Applicant provisionally elects compounds according to generic formula 4 in claim 3. Amended claims corresponding the Applicant's provisional election are filed herewith.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed. Accordingly, it is submitted that the application is now in condition for allowance. Reconsideration and allowance of the application is courteously solicited.

Very respectfully,

Applicant:
